Locations of services

- 201 E. Main St. Landscape and weed control
- 408 E. Main St. Landscape and weed control
- 290 Campbellsville Bypass (Hwy 210) – Requires mowing
- 1305 East Broadway (Elmhurst Plaza) – Requires mowing
- NA North Broadway Billboard- Requires mowing & shrubs trimmed.

Specifications of Basic Services

- The mowing is expected once per week or as needed.
- All leaves, litter and debris shall be removed from grass before mowing.
- Mowing shall not be performed when weather or other conditions would cause damage to the turf
- All mowers are to be adjusted to the proper cutting height and level
- Grass will be trimmed simultaneously with the mowing at each visit.
- Grass clippings caused by mowing, edging and trimming will be removed from the curbs, parking lots, street, walkways, planted beds and other adjacent surfaces on the same day as mowed.
- All landscaping maintenance includes shrubs and hedges to be trimmed as necessary in order to maintain a proper height and appearance. Lava rock replaced when necessary. Fertilize and weed control on grass as needed.
- All parking lots, including employee parking lots to be scraped of snow and Ice and salt spread, when needed.
- Liability Insurance is required.
- The Bank reserves the right to accept or reject any and all bids.
- Please submit all bids by October 31, 2019.
